Chapter 1:
A Famous Problem

Starting story on the next page

Throughout the years, the Legendary Fighter got famous.

The problem was that there was this man called Timmy and he really wanted to be famous but the Legendary Fighter was blocking his way to fame.

Timmy had a great plan and that was to kill the Legendary Fighter at midnight so it could be easier to be famous.

But then few people heard Timmy's plan and ran to the Legendary Fighter and told him about it.

When the Legendary Fighter heard Timmy's plan, he went back home to figure out what he should do about it.

During the night Timmy went to the Legendary Fighter's house.

The thing that Timmy tried to kill the Legendary Fighter were:

1. Timmy went to the Legendary Fighter's house and went to the door and tried to open it. But the Legendary Fighter put a security camera and when it saw the bad guy, it started blasting lasers.

2. So instead, Timmy climbed up to the Legendary Fighter's house roof and went into the chimney, but before Timmy went in the chimney, he just realized that there was fire!!!so he did not go in there.

3. Now this time Timmy climbed up to the Legendary Fighter's window but then when the bad guy touched the window, it electrified him. By this time Timmy was very angry at the Legendary Fighter.

4. Next Timmy bought a really big and strong hammer and went to the Legendary Fighter's house and smashed all the windows and all the security cameras. He also smashed the Legendary Fighter door wide open and went into the house. Timmy was ready to kill the Legendary Fighter.

Chapter 2:
A Famous Problem Part - 2

When the Legendary Fighter heard some noise in his house, he knew Timmy was there.

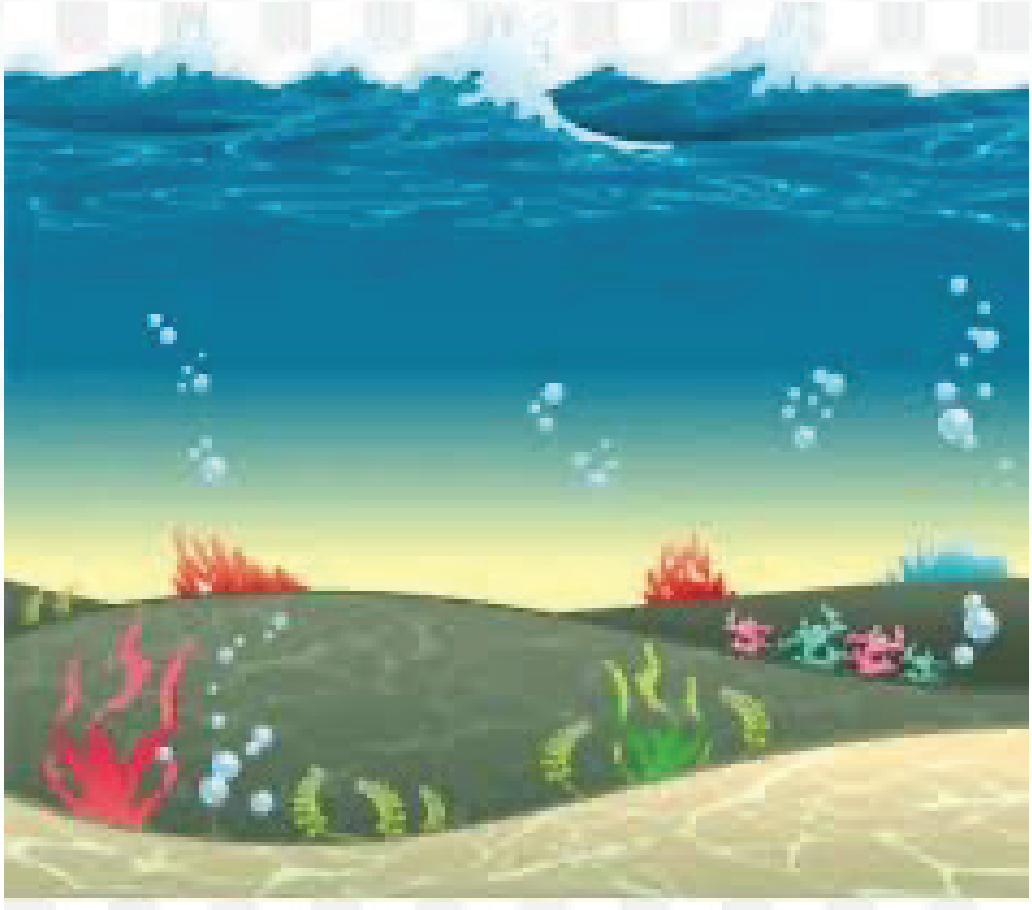
So the Legendary Fighter got up and started looking around the house and then he found Timmy carrying a giant hammer.

Timmy hit the Legendary Fighter with his hammer.

The Legendary Fighter fell down.

Timmy put the Legendary Fighter into his car and drove him to the ocean and threw him there.

When the Legendary Fighter was in the water and woke up. He was confused about how he got there.



Then he remembered that Timmy threw him into the ocean.

Afterwards, the Legendary Fighter swam up and saw the Magic Wizard floating on a piece of wood.

Recap: the Legendary Fighter made a big tornado that blew the Magic Wizard into the ocean.

The Legendary Fighter decided to take the Magic Wizard with him and try to be friends again.

When the Legendary Fighter took the Magic Wizard home the Magic Wizard woke up after a few hours.

When the Magic Wizard woke up, he saw the Legendary Fighter and punched his face.

Wait!!! I know you're angry but we could stop this and be friends under one condition and that is you stop being evil, said the Legendary Fighter.

Why should I listen to you said the Magic Wizard.

Because what I am saying is correct, said the Legendary Fighter.

The Legendary Fighter and the Magic Wizard became friends.

The Legendary Fighter asked the Magic Wizard if he wanted to join him to fight Timmy and the Magic Wizard agreed.

Chapter 3:
A Famous Problem
Part - 3

When the Legendary Fighter and the Magic Wizard were going to Timmy's house, the fans of the Legendary Fighter asked if they could be his army and the Legendary Fighter agreed.

Then when they arrived at Timmy's house, Timmy saw a big army.

The huge army attacked and broke his house.

Timmy began to run and the army was chasing him.

The army chased him up to the police station.

The army and the police trapped Timmy and arrested him.

The Legendary Fighter was very happy about the arrest and thanked people who helped him.

Chapter 4:
Fixing things up and a hacker

Whenever the Legendary Fighter walked outside, people who saw him said:

Wait a second, I know you, you're the Legendary Fighter.

But the thing that people did not like about him was his name, the Legendary Fighter.

The people asked the Legendary Fighter to change his name and voted.

When the voting about the new name was done, they called the Legendary Fighter: Aaric

And from now on everybody called The legendary Fighter: Aaric

Aaric had a very old car so he sold it and purchased a new one.

A New Car

One morning, Aaric heard someone calling it was:

Aaric was not sure if he could trust it or not.

Aaric thought that it was not a scam because he thought that “Nah why would some-one scam me”.

So, then Aaric answered!!!

Then he discovered that his bank account got hacked and the hacker stole all Aaric’s money!!!

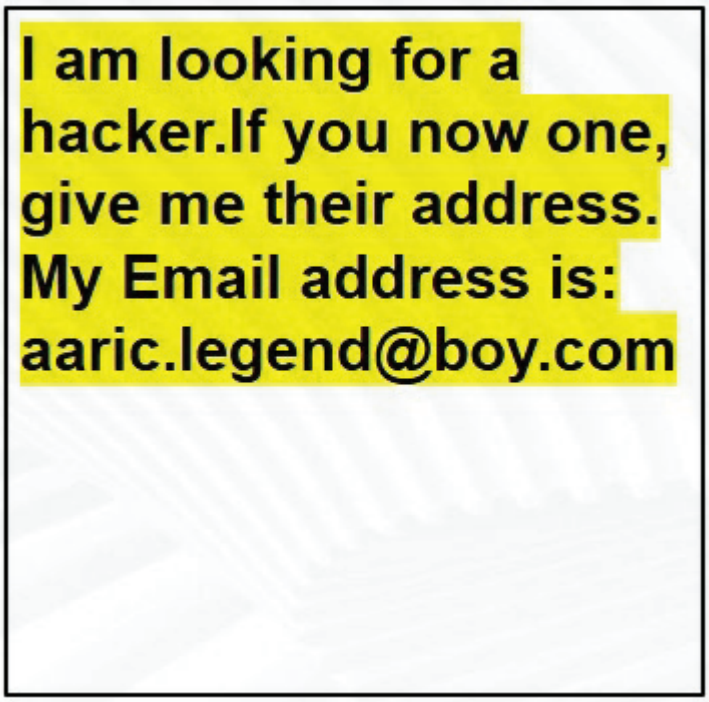
Chapter 5:
A hacker Problem

Aaric got very surprised and angry. Aaric was thinking of an idea for a few hours of how to get his money back.

Aaric was doing some research on how to recover the lost money but it did not help him at all.

Then Aaric got an idea.

Aaric put signs all over his neighborhood that looked like this:



Then after a day or two someone emailed him the address. When Aaric saw the address, he went there. The house looked very scary.

Aaric went to the front door and when he tried to open it, he found it was already open. The house was dark and messy.

Aaric thought about who could possibly live in this mess.

Aaric shouted out loud “Hello! Is there anyone here”

Aaric heard a weird noise coming louder and louder.

By this time Aaric was confused about what was happening here.

But then…

Someone attacked him!!!
